## PRODUCT HIGHLIGHTS

# Premier Term

### Level premium guarantee

Premier Term life insurance lets you choose the length of the policy's term – 10, 15, 20, or 30 years.<sup>2</sup> We guarantee that your premium amount will not change during the period you select. For example, our 10-year product is guaranteed to have level premium payments for 10 years. After the level premium period, coverage can continue, but the premiums may increase.

### Coverage for your children

In addition to your own coverage, the Children's Term Life Insurance Rider allows you to insure your child's life at great rates, too. Plus, your child can continue the coverage into his or her adult years by converting it into a permanent policy. This is an ideal option for any family, especially for single parents. There's no additional policy fee; you just pay additional premium. It's like getting two policies with one premium.

### Accelerated benefit endorsement

The main benefit of life insurance is the invaluable death benefit protection it provides, but Midland National's Premier Term also offers accelerated death benefits. This means the owner can accelerate a portion of the policy's initial death benefit should the insured be diagnosed with a qualifying illness and the funds can be used for any purpose you choose. These benefits are included for no additional premium charge at issue on eligible policies.<sup>3</sup>

NOTE: The critical illness benefit on Premier Term is not available in California.

### Convertible

Premier Term provides you the opportunity to convert to most of our currently available individual permanent life insurance products without evidence of insurability.<sup>4</sup> There are some restrictions based upon the age of the insured at policy issue, but the conversion period is never less than five years.

### Protection down the road

We understand that should you become disabled, it might become harder to pay your life insurance premium, yet this may be the time when you need financial protection from life insurance the most. The Waiver of Term Premium for Disability Rider or Waiver of Premium Rider (CA only) allow the entire premium to be waived if you are certified as being totally disabled.<sup>5</sup> For an additional monthly fee, this rider is available for issue ages 18-59 and ends when you reach age 65.

## **Strength and stability since 1906**

With over 110 years of business under our belt, Midland National's continued and consistent financial strength is a result of our conservative and disciplined investment strategy, our private ownership structure, and doing what is right for our policyowners.

## **Privately owned and customer focused**

As a privately owned company, Midland National is not subject to the short-term earnings pressures that publicly held companies often face. We are a company with plans to perpetuate itself for hundreds of years, not the next quarter or the next fiscal year. We focus on the long term. We focus on you.

## **High ratings for financial strength**

Independent agency ratings provide a vital picture of an insurer's ability to keep its commitments to you, the customer. As a company, we've received A+ marks from A.M. Best, Fitch Ratings, and S&P Global Ratings.<sup>6</sup> These ratings are based on financial strength, operating performance, and the ability to meet our obligations to our policyowners and contract holders. Our consistently high ratings have shown that with Midland National, you aren't just buying a product. You're buying a commitment to you and your family.

The term financial professional is not intended to imply engagement in an advisory business in which compensation is not related to sales. Financial professionals that are insurance licensed will be paid a commission on the sale of an insurance product.

1. Neither Midland National nor its agents give legal or tax advice. Please consult with and rely on a qualified legal or tax advisor before entering into or paying additional premiums with respect to such arrangements.

2. Premiums are guaranteed to remain level for the initial 10, 15, 20, or 30-year period. After the premium guarantee period, premiums will increase annually but will never exceed the guaranteed Annual Renewal Premium.

3. Accelerated Death Benefits are subject to eligibility requirements. An administration fee is required at time of election of an accelerated death benefit. The face amount will be reduced by the accelerated death benefit amount. Since benefits are paid prior to death, a discount will be applied to the face amount accelerated. As a result, the actual amount received will be less than the amount of face amount accelerated.

Texas Residents: Receipt of acceleration-of-life-insurance benefits may affect your, your spouse's or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect your, your spouse's and your family's eligibility for public assistance.

4. Subject to the terms of the policy.

Conversions are allowed according to the following schedule:

- 10-year term length: the earlier of 7 years or age 70
- 15-year term length: the earlier of 12 years or age 70
- 20-year term length: the earlier of 15 years or age 70
- 30-year term length: the earlier of 20 years or age 70

The conversion period is never less than 5 years regardless of issue age

5. The Waiver of Term Premium for Disability Rider or Waiver of Premium Rider are available for issue ages 18-59 and up to a maximum table D rating. Additional limitations and exclusions apply. Refer to the rider form for complete details.
